Greetings!

Greetings, hope you're doing well. I'm pleased to give you all the latest developments here at The Chesler Group since our last newsletter.

Market Block Building Project Completed

We are pleased to announce the completion of our newest renovation, The Market Block Building on the Courthouse Square of Warren, Ohio. The 10-month, \$3.5 million renovation was completed in June 2012 for the Raymond John Wean Foundation on time and under budget. The grand opening on July 18th was hosted by the Wean Foundation.

The three-story historic dry goods building was converted to: garden level offices and conference rooms for new non-profit organizations, a multipurpose ballroom for community functions, and corporate offices for the Raymond John Wean Foundation.
